

## KPIs for Weaver plc

**Weaver PLC, part of the Vinci Construction Group has an annual turnover of around £50m, with projects principally in the Midlands up to £7m in value.**

Following the attendance by one of their directors on a KPI workshop, Martin Print made a presentation to the Board before being commissioned to support a full KPI implementation.

The project involved:

- Identifying critical KPIs
- Modifying existing data collection methods
- Generation of new data
- Benchmarking performance against relevant national data
- Integrating the KPI system into the company's existing IT systems.

The project was completed with six days' consultancy.
